LET'S MEET IN KENYA

At Tukutane Kenya Safaris, we believe that a safari is more than just a journey; it's a life-changing experience. Founded by a team of passionate wildlife enthusiasts and seasoned travel experts, our mission is to provide you with an authentic and immersive African safari that caters to your interests, preferences, and comfort.

Kenya is situated on the eastern coast of Africa and has a total area of 580,530 Sq Kms, which includes 13,395 Sq Kms of inland water. Its Indian Ocean coastline stretches for 480 Kms. The capital is Nairobi, a colorful striking city 500 Kms inland from Mombasa; the major port to the Indian Ocean. The national language is Swahili, but English is the official language and many people are multilingual in the tourist areas.

If you ever want to visit Kenya, Uganda or Tanzania enjoy your safaris with Tukutane Kenya safaris.
